## 2022 Christmas Movie Watch List

### Naughty or Nice List Rating:

- 1 – Not so good
- 2 – Probably not worth watching again
- 3 – Entertaining, will watch again next year
- 4 – Good movie, will add to my every-year films
- 5 – Loved it! Instant Classic!

If there's a Rom-Com couple, do they measure up to Santa & Mrs. Clause type love?

Santa & Mrs. Clause = favorite couple or a new RomComRoad.Com Favorite Star combo to watch!

Bells = a RomComRoad.Com DON'T MISS!  = a CAN'T WAIT, COUNTING THE DAYS, IS IT TIME YET? Premiere!

Star = different theme or pairing than is customary. Maybe no central romance-theme, tons of STAR power, could be about a married couple or a same-sex headline romance.
